Forecast For Scotland
Issued by Met Office Aberdeen
at 1600 on Saturday 16 Jan 2021

++ Valid for broadcast between 1800 and 0600

Headline:
Showers in north and west tonight. Cold, frosty in east.

This Evening and Tonight:
The east will be largely dry with lengthy clear periods, a slight frost in places. Occasional showers continuing across the west and the Northern Isles, these wintry across the hills.

Sunday:
The east will be mainly dry and bright. Scattered showers continuing in the west and Northern Isles, some longer spells of rain possible here in the afternoon.

Outlook for Monday to Wednesday:
Further showers in the north and west on Monday, mainly dry elsewhere. Rain and hill snow extending northwards on Tuesday, this lingering across the north on Wednesday.
